National Health Service Corps

Region total awards \$3,056,840

As a result of the historic investments through the Affordable Care Act and the American Recovery and Reinvestment Act, the number of clinicians in the National Health Service Corps (NHSC) are at all-time highs with nearly 8,900 Corps clinicians providing care to more than 9.3 million people who live in rural, urban, and frontier communities. The NHSC repays educational loans and provides scholarships to primary care physicians, dentists, nurse practitioners, physician assistants, behavioral health providers, and other primary care providers who practice in areas of the country that have too few health care professionals to serve the people who live there.

Currently in your region 783 clinicians are caring for people who live in areas where health care is hard to find, which are known as Health Professional Shortage Areas (HPSAs).¹

>> 333 provide primary medical care
>> 138 provide dental care
>> 312 provide mental health care
>> 355 are working in urban areas
>> 442 are working in rural communities†
>> 412 health care job vacancies are NHSC-eligible

Awards to NHSC Loan Repayers:
